We are delighted to present Villa Mila, a dream residence located in the exclusive Lomas del Rey community in Jávea, on the stunning Costa Blanca North. Construction began in May 2024, and this Mediterranean-style villa radiates timeless elegance, offering a serene escape in one of the region's most sought-after areas.

Boasting a pristine white facade with gracefully rounded corners, Villa Mila is accented by the natural beauty of hand-carved Montgó stones, tinged with warm red hues, adding an authentic Mediterranean touch. Inside, the villa features micro-cement finishes in the bathrooms and throughout the flooring, harmoniously paired with rust-colored, double-glazed aluminum windows for
