Some homes catch your eye straight away.
Others reveal their value once you take a closer look.
This detached villa in Doña Pepa (Ciudad Quesada) is not trying to impress with a glossy, magazine-style look or chase passing trends.
It was built in 1996, and its style reflects that. But it also reflects something that is becoming harder and harder to find: solid construction, generous proportions and a layout that really works.
And that is one of its biggest strengths.
Anyone looking to update it does not need to start again from scratch.
