Property with soul and endless possibilities in Colmenar (Málaga)

Unique property for sale with 429 m² built, currently used as a warehouse, ideal for those looking for a project with character and vision. This large house requires a complete renovation, but offers extraordinary potential to be transformed into a spacious family home, a guesthouse, a charming boutique hotel, or even two independent dwellings.

The main floor offers an exceptionally large open space, perfect for designing a stunning living-dining area and a dream kitchen. From here, there is access to a beautiful inner patio, which with care and creativity could become a peaceful private retreat and the heart of the home.
