This lovely finca style in Cortes de la Frontera offers the perfect combination of size, quality, tranquility and much more only kilometers inland from the busy coast. Take flight from your home town in northern Europe and arrive to your own hideaway. Get immersed in nature, enjoy it from the promenade of your terraces enjoying the views to two Natural Parks. Property with its own stables for 10 horses, sufficient space for them to exercise, have your own kennel. Or just write your memoirs for the future with any distractions. Possibilities are endless. Open views to the valley from the large terrace. Large covered BBQ area with everything you need....(Ask for More Details!)
