Commercial Property in Ronda

€450,000

1	1	1,100m²	75,000m²	N/A

A prime investment project located only 15 minutes from Ronda. The finca consists of 7.5 hectares of olive plantation (approx 600 producing trees) and borders the National park of Grazalema. There are approx 1,100m2 of constructed warehouses and buildings, there is also on the land a legalised mineral water source with 2 litre per second capacity. This water has been previously analysed by the owners and is of high grade purity. This project comes with all paperwork in order and a pre-project for a rural spa/hotel. A number of options can be considered for this property such as : Mineral water bottle plant, Spa/Hotel, Equestrian centre or simply a grand...(Ask for More Details!)
