Looking for a renovation Project? Need a hobby to get stuck into? Then this country finca is the one for you!!

This typical Spanish finca comes with over 50,000m² of land and 2 villas. The land furthest away from the 2 properties is protected. Located on the main road outside of the village Torremendo facing south.

The land is being used as farmland for growing vegetables/fruit or left to mature. Plenty of space if you own horses or live stock. The plot has been drawn out by an architect showing the correct borders.
