This asset offers an exceptional opportunity for those looking to invest in a prime location within the New Golden Mile area.

The property encompasses a generous 9,500 square meters of land, providing ample space for various development possibilities.

The section closest to the highway offers the potential to construct a 1,415 square meter commercial store, and its direct and clear visibility from the busiest road on the Costa del Sol makes it an ideal location for establishing a thriving business.

Located just 3 km away from Estepona center, and 1 km from the beach, the land has easy access
