Apartment Oslo is a top-floor residence in La Quinta that offers exceptional views and refined living. The home features two bedrooms and three bathrooms across 110 square meters of space. Every area has been designed for comfort and ease, with an open layout that brings light into every corner. The large south- and east-facing terrace provides a seamless connection between indoor and outdoor living, perfect for relaxing or dining under the stars.

Inside, clean lines and quality finishes define the apartment. Natural textures and handcrafted wooden furniture create warmth and harmony. The kitchen is equipped with premium appliances and a practical design that suits both everyday use and entertaining. Every room...(Ask for More
