Villa in Finestrat

€3,950,000

7	7	998m²	890m²	N/A

Arriving to the Urbanisation Montroyal we find a natural stone wall with a height of 7 metres and the automatic access doors to this villa arriving to the covered garage at street level with double height, natural light and garden with palm trees of different heights of 180 m2, a glazed room of 78 m2 with lift, interior staircase, cloakroom and enough space to put armchairs, convert this space into an office or simply into a waiting room for visitors.

The next floor of 190 m2 of enclosed space located below the plot level but 3 metres above the street level and therefore with natural light can be accessed by lift...(Ask for More Details!)
