Our flagship development is a complex of detached villas in Dehesa de Campoamor. This development has been built for the most exacting clients. This development is in one of the best areas of Campoamor, just four minutes from the beaches of Orihuela and close to many essential services such as restaurants, supermarkets, pharmacies, etc.
This is where we are building villas tailored exclusively to our clients' requirements, which may include two to five bedrooms, parking, a private garden, and swimming pools of varying sizes.
The plots have around 500 square meters, in which customers can choose between 5 different models.
