Ground floor and first-floor house, with a semi-basement and swimming pool.

Each house has its own private plot, designed to include various leisure and enjoyment areas, as the plots adapt to the terrain. With sea views from the solarium floor.

On the ground floor, the layout includes a living room, dining room, and kitchen, separated by a permeable wooden slat partition, which divides these spaces from the bathroom and bedroom area. Access to the pool area is on the same level as the house.

On the first floor, there are two en-suite bedrooms with their respective terraces. The hallway provides access to the solarium, which serves as the flat roof of the house.
