# Villa in Manilva

**€545,000**

| 3 | 3 | 128m² | N/A | N/A |
|---|---|---|---|---|

Design-oriented 20 townhouses built for luxury living, features bright and airy interiors that are open and spacious, situated in the desirable Manilva hills. Only 3min from Puerto de la Duquesa, AP7-toll road accessible and leisured & golf magnetized.

Set within the exclusive gated community, every townhouse is a reminiscent of a modern-day wealthy family home. The prestigious estate subtly reminds of the sophisticated style through design that maximizes views and accessibility to the outdoors, design that creates volume and luxury with double height ceiling in the living room, design that fills the interiors with natural daylight with skylights, design that creates open and spacious rooms at dusk via indirect lighting.
