385m²

2,267m²

Country house on the outskirts of Ondara - rarely available. The property is very spacious with rustic land of about 2300m², with swimming pool and barbecue area. Closed storage space and corral for animals, with fences. There are several areas surrounding the house, a garden area with lawn and good trees, another orchard area and another parking area. The house is currently open plan, on the ground floor a large living room, kitchen with another exit to the pool area, master bedroom with very spacious bathroom, there is another part where you can distribute and create several bedrooms, up stairs you reach open attic with another bathroom. Excellent location and many possibilities....(Ask for More Details!)
