Villa in Lorca

€375,000

3	2	112m²	555m²	N/A

This is a newly built residential complex with 354 homes planned. Of the first 50 detached villas that have been built, only 7 are still available, but we can still offer you 3 models in different colors.
The Villa Lavanda model is a marvelous independent villa, all on one floor of 112.21 m² built. High ceiling with 3 high windows (look at the photos) in the living room (our clients say it's got "a Flow" whatever that means!). Plots for this model vary in size from 553.64 to 555.06 m², and so do the prices.
If you prefer something bigger, we have two other models, Iris and Violeta, with two floors.
