Located in the Magnolias residential area of Cumbre del Sol, this contemporary residence pays tribute to the Mediterranean in every line and view. Its sober, elegant and open architecture integrates with the natural surroundings, offering a vital experience in tune with the sea, light and tranquillity.

The home's design focuses on spaciousness and visual connection. Picture windows flood the interior with natural light and frame the views from any room. The house occupies a single floor, where its three bedrooms all have en-suite bathrooms, and the day area combines kitchen, living room and dining room in a continuous space, facing the terrace and pool.
