Imagine waking up every morning to the sea breeze and the blue of the Mediterranean on the horizon. This is how the day begins in this charming Mediterranean-style home in the established Magnolias residential area of Cumbre del Sol - a house designed to enjoy the sun, tranquillity, and natural surroundings from every corner.

Natural light floods the main living space, where the lounge, dining area, and kitchen blend into a warm, open-plan environment with large windows that open directly onto the terrace. Here, life flows to the rhythm of the Mediterranean climate: outdoor breakfasts, afternoon naps under the porch, and endless evenings by the pool.
