Villa in Altea

€3,500,000

4	4	600m²	963m²	N/A

This is a modern newly built villa located in the prestigious Altea Hills urbanization. This luxurious property offers stunning panoramic views of the Mediterranean Sea and the surrounding mountains, providing a tranquil and picturesque setting.

The villa is carefully distributed over three levels, each designed with attention to detail. The open-plan living area seamlessly integrates the living room, dining room and a fully equipped designer kitchen, creating an ideal space for comfort and entertainment.

Stepping outside, one can enjoy landscaped gardens and several terraces with ample areas for outdoor relaxation. The centerpiece is the spectacular infinity pool, which appears to merge with the
