A new residential development of 53 contemporary villas is set in Algorfa, a prime area on the Costa Blanca South, surrounded by green landscapes, citrus groves, and golf fairways-offering privacy, calm, and easy access to services and the coast.

The project includes detached and semi-detached villas in three sizes, with 3 bedrooms and 2 bathrooms (larger models add a guest toilet). Homes are available on one or two levels: single-storey options include a private rooftop solarium, while two-storey models feature an upper-floor terrace. Selected units include a basement, with a basement option available on others. Every villa comes with a private pool and on-plot parking.
