This new development is located in the very heart of Puerto de Mazarrón, one of the most dynamic and emblematic areas of the Murcian coast.
Just a short walk from the promenade and the beach, it is surrounded by a wide range of services, shops, businesses, restaurants, and entertainment venues. Its excellent location allows residents to enjoy the tranquillity of the coastal environment while benefiting from the energy and convenience of a constantly evolving town centre, making it an ideal option both for living and for investment.
The project features a modern and functional design, combining a prime location, contemporary architecture, and quality of life. The newly constructed building consists of a...(Ask for More Details!)
