Exclusive development of 2 duplex homes with 3 bedrooms, designed to offer comfort, space, and modern living. Each property features a private garage floor, terrace and garden, rooftop solarium, and access to a communal swimming pool.

Built with reinforced concrete structure in compliance with current regulations, the homes offer high-quality finishes throughout. Interiors include premium porcelain flooring, smooth painted walls, and ceramic tiling in bathrooms and kitchen areas. The exterior combines white monocapa mortar with porcelain cladding details for a contemporary look.

The fully fitted kitchen includes high- and low-level cabinetry with high-gloss finishes, quartz
