We present an exclusive collection of contemporary bungalows designed to harmonize luxury with the serene beauty of the coast, offering the essence of Mediterranean living. These homes combine modern architecture with functional elegance, featuring bright open-plan interiors that extend naturally into private outdoor spaces.

Choose between ground-floor bungalows with private gardens and porches or top-floor bungalows with spacious private solariums, each designed to maximize natural light and provide beautiful views of the surrounding landscape. Inside, the interiors reflect refined comfort with high-quality finishes and a soft, neutral color palette that complements the Mediterranean sunlight.
