We present a boutique new-build development in Cotobro, Almuñécar, one of the most sought-after residential areas on Granada's Costa Tropical. With its mild year-round climate and close proximity to the sea, this location offers an exceptional Mediterranean lifestyle.

The development features semi-detached homes designed for those seeking privacy, contemporary architecture, and a strong connection between indoor and outdoor living. Located only a few minutes by car from the beach, the project is set in a quiet residential area close to restaurants, services, and with good connections to Málaga and the city of Granada, making it ideal as a primary residence, holiday home, or property investment.
