Villa in Rojales

€710,000

4	3	234m²	407m²	N/A

Experience the perfect blend of modern design and functional living at new villa residencial. This collection of contemporary residences offers a sophisticated lifestyle tailored for those seeking comfort and elegance in a beautifully planned community.

Each home is thoughtfully distributed across multiple levels to maximize space and natural light. The main floor serves as the heart of the home, featuring an expansive open-concept area that seamlessly integrates the kitchen, dining, and living spaces-perfect for both daily relaxation and hosting guests. Large windows and direct access to a private terrace create a fluid connection between indoor and outdoor living.
