This exceptional residence offers an exquisite blend of design, comfort, and panoramic beauty. Spanning a built area of 145 m², the apartment features two private terraces totalling 45 m², each thoughtfully designed with lush greenery, an automatic irrigation system, and a private jacuzzi. The 270° views embrace the sea, coastline, and surrounding hills - on clear days, even Gibraltar and the distant coast of Africa grace the horizon. A private 14 m² garage with direct elevator access ensures convenience and exclusivity at every turn.

Inside, the 70 m² open-plan living, dining, and kitchen area welcomes abundant natural light, creating an atmosphere of spacious elegance. The home includes three serene bedrooms
