We present an excellent investment opportunity with this closed garage located in the prestigious Larimar Building. This space has generous dimensions of 21 m², ensuring ample room for your vehicle or as an additional storage solution. Its access is very convenient and is designed with user-friendliness in mind, allowing for easy maneuvering both when entering and exiting. Additionally, it features natural light thanks to strategically placed windows that provide brightness during the day and also light in the garage. Security is also guaranteed as the parking space is located within the private premises of the building, providing peace of mind for owners regarding their belongings. Don't miss this unique...(Ask for More Details!)
