Perla del Mar presents a charming residential project located in the heart of Lomas de Cabo Roig, offering a stylish collection of fully renovated and modernized homes.

Choose between thoughtfully designed one-bedroom or two-bedroom apartments, each with its own unique outdoor space from private gardens and spacious terraces to top-floor penthouses with stunning solariums.

Optional private parking spaces are available for added convenience. The community features a refreshing swimming pool perfect for summer days, as well as a small playground for little ones to enjoy.
