The main house (upper level) offers five bedrooms, multiple living and dining areas, a fully equipped kitchen, covered terraces, and a roof terrace with panoramic views, all set within landscaped gardens with a private driveway, storage areas, and extensive features including air conditioning, water tanks, and irrigation.

The lower level includes a guest house and independent apartment with several bedrooms, en-suite facilities, spacious living areas, a pool terrace with sunbathing space, and additional amenities, making the property ideal for large families or rental potential.
