Town House in San Pedro del Pinatar €159,969

3	2	85m²	20m²	N/A

Charming terraced house of 85 m² built with a 20 m² plot located on the quiet Chamartín street in Lo Pagán, just a step from the town centre and with the Mar Menor beaches very close. The property, arranged over two floors, offers an entrance with a bright living-dining room and an internal staircase that leads to the upper floor where the bedrooms are located; photos show flooring in good condition, exterior carpentry with grilles and several balconies that provide ventilation and light. It is a very pretty house, with simple and practical finishes that make it easy for the new owner to adapt: its layout would be ideal both...(Ask for More Details!)
