Ground floor studio apartment located in the sought-after La Siesta complex in Benidorm, now available for purchase. This bright property benefits from a sunny south-east facing front terrace - perfect for relaxing, dining, or enjoying the sun. The apartment offers a comfortable lounge area, separate bedroom space, American-style kitchen, and a modern shower room.

The current owners have fully refurbished the property throughout, including brand new flooring, newly plastered and painted walls, and a completely new kitchen and shower room. Additional upgrades include new hot and cold air conditioning, new water heater, and a new fridge freezer, making the apartment move-in ready with no work required.
