Just Received Another Villa Build Plot to add to our amazing portfolio of plots we currently have available to purchase.

Villa build land Is located with-In The famous Area Called Urbanization Valtocado, Mijas, Costa Del Sol.

The plot benefits from being 2365sqm In size and also has some of the best South facing views this location has to offer with a viewpoint across the countryside and towards the sea.

Planning permission was granted but unfortunately has now expired and needs to be re-applied for. Drainage, Water, Electric, plus villa build foundations and a supporting wall are already in place,
