### Villa in the high part of La Capellanía | Panoramic Views | Comfort and Style

This property, comprising 294 m<sup>2</sup> of living space, is situated on a 565 m<sup>2</sup> plot in the upper area of the La Capellanía urbanization, Benalmádena. Built in 2013 and maintained by its original owner, the residence is characterized by its southwest orientation, ensuring consistent natural light and unobstructed views of the Bay of Fuengirola and the African coastline.

#### Layout and Details

The residence is organized across three levels connected via an internal staircase and a low-maintenance private elevator.
