Welcome to Los Pinos de Aloha - where architecture, tranquillity and the refined Marbella lifestyle come together in a beautifully renovated duplex residence.

This is not a conventional home.

This is a design-led residence for those who consciously choose comfort, aesthetics and an international way of living.

The property is spread over multiple levels and designed with one clear purpose: to live in light and space. Expansive windows seamlessly connect indoor and outdoor areas, while the interior exudes understated luxury through natural materials, bespoke details and a carefully curated colour palette.
