This spectacular cortijo located in Sierra de Yeguas, surrounded by olive groves, is just a few minutes away from the town center, connected by the MA-454 road. It's approximately a 30-minute drive from Antequera and about an hour from the center of Malaga, its international airport, and its beautiful beaches.

This beautiful ECO home stands out with its unique design, consisting of two buildings connected by wonderful communal areas, including a swimming pool for cooling off on hot summer days, a barbecue area for outdoor dining, and numerous terrace areas where you can relish the magnificent Mediterranean climate.
