Prime Development Opportunity Near the Mediterranean in Almuñécar
Positioned just moments from the Mediterranean coastline, this exceptional urban development plot offers a rare opportunity to create a high-quality residential project in one of the Costa Tropical's most attractive seaside destinations.
With a total land area of more than 12,000 square metres, the property combines a substantial urban building area with extensive private green zones, creating an ideal setting for an exclusive low-density residential development. The generous proportions of the site provide the flexibility to design spacious homes surrounded by landscaped outdoor areas while preserving privacy and a
