Brand new penthouse located in a designer building, right on the beachfront in the Playamar area. The property stands out for its impressive front-facing sea views and contemporary architecture that combines elegance, brightness, and functionality.

Completely new, it has been built with high-end finishes and incorporates features that guarantee maximum comfort, such as underfloor heating, air conditioning in all rooms, and an arothermal system. Its layout has been carefully designed to enhance spaciousness and the seamless flow between indoor and outdoor spaces.

The penthouse offers 3 double bedrooms, 2 full bathrooms, and three terraces on the same level.
