Wonderful townhouse only five minutes walking to the beach of San Pedro and Puerto Banus. This townhouse is on a semi corner giving out to a park and pedestrian path and is very privately situated. It sits in a secure urbanisation with two community pools and lovely gardens. The townhouse is being refurbished so for quick buyers it will be temporarily available for the above mentioned price, but it will change soon when they start construction, so its a rare opportunity to find something so close to the beach for this price.

The house will have 3 bedrooms and 3 bathrooms, it has an attic space where you could make...(Ask for More Details!)
