Apartment with generous plot and plenty of space Welcome to a practical and easy-to-maintain apartment that combines large spaces with comfortable living. Here you get 170 m² of built space (145 m² of living space) divided into four bedrooms and three bathrooms - an ideal floor plan for families, guests or for those who want several flexible rooms.

The 450 m² plot has plenty of space for hanging out, playing and growing crops. The terrace provides great opportunities for outdoor dining and lazy days in the shade, while the private garden frames the house in a harmonious way.

Inside, functional spaces await with built-in wardrobes, air conditioning and smart storage. For
