635,000m²

N/A

Discover this impressive estate located in Morata, Lorca, very close to Mazarrón and its beaches. With an expanse of 635,000 m² and 3,000 m² dedicated to irrigated production, this property is ideal for those seeking a natural yet productive environment.

The built surface includes two houses: one measuring 253 m² to be renovated and a smaller one of 70 m², perfect for living in, hosting guests, or generating income through rural rentals. Both dwellings are in their original state but offer the necessary potential to be transformed according to your personal taste.

The main house features three comfortable double bedrooms and a full bathroom, ensuring enough
