Bright and move-in ready apartment with rental option Here we offer a pleasant and well-maintained apartment high up in the building, where light, space and function interact in a way that makes it easy to feel comfortable. The home has been recently refreshed with new finishes and brand new furniture, which creates a modern and inviting feeling from the first step inside.

The apartment has a built area of approximately 75 square meters and a living area of approximately 60 square meters. The floor plan is well thought out and offers two spacious bedrooms with built-in wardrobes and two bathrooms, which provides extra comfort for both permanent residents, guests and rentals....(Ask for More Details!)
