Discover a boutique collection of seaside villas in Finestrat, where minimalist architecture meets the beauty of the Spanish coast.

These premium residences offer a perfect balance of luxury and efficiency, featuring expansive panoramic windows, private terraces, and a personal pool for ultimate relaxation.

Each home is thoughtfully designed with three spacious bedrooms, multiple bathrooms, and walk-in closets, all crafted with high-quality materials to achieve an Energy Class A rating.

Scheduled for completion in late 2026, these villas provide an exclusive opportunity to enjoy a refined lifestyle in a stunning Mediterranean setting.
