Estepona , La Resina Golf. License & project approved Prime Plot with Sea Views from the first floor

Buildable area: 640m²

Plot : 1,237 m²

An exceptional opportunity to build a stunning modern villa on a completely flat 1,237 m² plot overlooking La Resina Golf Course. Recently approved and paid building license included, with a luxury project designed by one of Spain's top architects. The property will feature sea views from the first floor, an infinity pool, and parking for several cars. With a projected value of approx. €2.8M, this is a perfect investment with an estimated ROI of €800,000. The stone retaining wall adds character
