What if your home knew exactly when to separate daily life from real privacy? This duplex penthouse in La Morera, Marbella East, offers three bedrooms, three bathrooms plus a guest toilet, arranged over two purposeful levels, with everyday living below and a master suite above, complete with sea views and private terraces.

The layout is deliberate and intelligent. The entrance level hosts two bedrooms alongside the kitchen and living area, opening onto a terrace that keeps the Mediterranean in constant view. Upstairs, the entire floor is reserved for the master suite, not as an afterthought but as a genuine retreat. Bedroom, bathroom and terrace work as one. The sense of order...(Ask for More Details!)
