The modern villas could offer privacy for those seeking comfort and elegance in their living space. Situated in a peaceful area, each villa is a standalone property with a modern exterior that blends harmoniously with the surrounding nature. Featuring three bedrooms, three bathrooms, spacious terraces and an optional solarium -these residences are perfect for enjoying both indoor and outdoor living.

Enjoy the natural light filling the interior and wake up to stunning views, all while surrounded by a private garden and your pool area. These villas are designed with energy efficiency in mind, creating a comfortable, eco-conscious space. Have the benefit of urban amenities and beaches nearby for a
