Situated in the sought-after Pueblo Ana María urbanisation in Los Romanes, this detached villa offers stunning lake and mountain views, a private pool, spacious terraces, and a well-built home that is fully liveable, with bright bedrooms, a characterful living area, and excellent indoor-outdoor flow, while also providing strong potential for upgrading and personalisation. With a private driveway, panoramic terraces, and generous garden and pool areas ready for redesign, the property presents an ideal opportunity to enhance both exterior and interior spaces, including cosmetic kitchen improvements, landscaping, installation of permanent gates, and minor repairs, making it perfect for buyers seeking a comfortable home with scope to add value over time.
