Just 100m from Paseo beach, Puerta del Mar, right in the center, with everything a family may need just outside the door and less than 5 minutes walking, shops, bars, restaurants, schools, supermarkets, etc.

In one of the most sought-after areas, on the mezzanine floor of this building, with elevator, we offer this 66m² apartment, with two bedrooms and one bathroom, air conditioning and views of the square.

A strategic location, close to the beach, the center and all services, and although it is currently used as an office (it has no kitchen), it can be converted into a family's primary residence, or to spend
