This impressive seaside property offers outstanding features throughout: sea views, proximity to the sea - plus space!

The home spans 136.23 m² of built space, complemented by 40.59 m² of terraces, plus generous parking and a storage room. Security comes courtesy of a reinforced entry door, while built-in wardrobes and elegant wood detailing add character throughout. The property comes tastefully furnished and decorated to a high standard.

Aluminium-framed sliding doors and windows feature double glazing, fitted with newly installed metal insect screens, and open in both full and partial configurations for flexible ventilation.
