Villa in Javea - Xabia

€1,595,000

5	4	341m²	N/A	N/A

Set within the prestigious area of Monte Olympio, ideally positioned between Javea and Benitachell, this striking modern villa occupies what is widely considered to be one of the very best plots in the entire development. As the first house ever built in Monte Olympio, the property enjoys a truly unique vantage point, offering uninterrupted, panoramic and sea views, whilst benefitting from a year round sun exposure.

From its elevated yet perfectly orientated position, the villa commands breathtaking vistas sweeping from the Mediterranean Sea and the coastline of Javea, across the iconic Montgó, the dramatic Bernia mountain range, and all the way to the historic church of Benitachell. With only one
