The villas offer an elegant design spread over two levels.

The main floor houses the master bedroom with an en-suite bathroom and dressing room, a guest toilet, and a kitchen that blends into the living room and opens onto a large terrace with views of the landscape.

On the lower floor, two additional bedrooms and a bathroom connect directly to the garden and outdoor spaces.

With a private pool and garden, these villas invite you to enjoy the Mediterranean lifestyle in a setting of nature, serenity, and comfort.
