Refined Andalusian Villa with Panoramic Valley Views

When you step inside the villa, the views catch you immediately. Set against the backdrop of the Guadalhorce Valley, this four-bedroom home brings together Andalusian character and a quietly considered, contemporary sensibility. The living room opens into a beautifully appointed kitchen, creating a generous, light-filled space designed equally for relaxed living and entertaining. Expansive glass walls frame the valley beyond, drawing the landscape into the heart of the home. The accommodation is thoughtfully arranged.

On the ground floor of the main house are two bedrooms, each with its own en-suite bathroom.
