Located on one of Almuñécar's main avenues, with the N-340 highway entrance/exit just a few meters away, this apartment is set to undergo a complete renovation in the coming months, as shown in the project photos. This modernization and comprehensive refurbishment, coinciding with the opening of the aquarium and the new, modern market just a short walk away, will make the area one of the most sought-after, resulting in a significant increase in the value of all properties in the area, making it a very attractive investment opportunity. This apartment , situated in a beautiful residential building with a distinctive architectural style, features a promenade, green spaces, and a striking use...(Ask for More Details!)
